Down But Not Out!

We are down to about 90 students now, our lowest ever, we usually have around 120. But I am grateful for everyone of those students. Please help promote the school by letting your friends know what you like about it and giving them your business cards. We are also looking for some locations to put out our brochure holders. If you know of a place, please let me know!

Private Lessons Available/Sponsor a piece of equipment/

We are now offering private lessons with Mr. T. If you are interested, please let me know, I am available various times during the week, and on weekends! We also need to replace our wavemaster tops, purchase 1 new wavemaster, and probably get some new body shields. We will be offering some special events next month to raise funds for this equipment and the school. Or if you wanted to sponsor 1/2 or a whole piece of equipment please let me know.
