## A Message from Mason Thomson

Please come to the Bead Shoppe (formerly Gossamer Wings) In Jackson Plaza to view my art display. I have wire wrapped pendants - stones that are necklaces. The new owners have changed the store a bit and it's really cool!

They have a re-grand opening this weekend: (Aug 1st) Friday, Saturday and Sunday.

**Please tell them Mason sent you!**

If you have questions, just call them at 793-1008 and the website is <http://thebeadshoppelacrosse.com/> Share this with any other jewelry lovers.

Thank you, Mason Thomson
