## House Cleaning Sale! You can still order and save 😊

There is still time to order your holiday gift ideas! I am also putting out some extra items that you might be interested in! See the table at the school!

(Holiday gift guide is attached to this e-mail.)

## Private Lesson Sale

Private lessons are available for \$30 per hour! We usually schedule them on the weekends, or other non-class times. Here are a few comments about the

lessons! *"The private lessons at Task Karate are great! They make a huge difference in my daughter's development, especially when she's working on forms, or just wants to practice one particular technique. The biggest difference between a classroom full of kids at different individual levels compared to a private lesson is how much more she retains after the one-on-one time."*

*"Mr. T, I want to thank you for all your help you gave my son in the private lessons sessions he has had with you. It was very beneficial for him to focus on areas of his forms that needed some extra attention. You are always patient and he very much enjoys learning from you. He is looking forward to setting up more sessions to work on learning eskrima with you!"*

I am currently offering a sale on private lessons. You can get a four-lesson punch card for \$100, a savings of \$20. For the holidays, I can also make a nice certificate for single or multiple lessons. (We will schedule the lessons during available times!)

## Task Karate will be closed from 12/25 to 12/30

Thank you all for being a part of our school. I will be working to make it even better in 2018, the 15-year anniversary of Task Karate!

## New Year's Training-Gold Star Event!

We are going to do it a little different this year and actually have our New Years training on January 1<sup>st</sup>! The class will be for all ages and levels and will be from 5:30 until 7 pm! We'd like to start the year off with one big class, so please try to attend!
