Task Karate Food Drive a Huge Success!

Thanks to all the members of Task Karate who helped out with our food drive.

We collected a ton of food (OK, maybe not a ton, but it sure felt like it carrying it all to my car) to help out the local Salvation Army food pantry. I couldn't fit it all in the back of my van & had to put some in the front seats! When I dropped it off the lady was a little surprised at the volume of food we had. "You have know idea how many families this will help", she said. Great job everyone!

Moriah Harter buried behind all the food we collected!

The New Year is always a popular time to set resolutions for the next year, but January is too late! Take a little time during the holiday to plan ahead for the next year. Here is a good guide to get started by one of my favorite motivational speakers Zig Ziglar.

Tuesday, January 2nd, Special New Years Training!

All Kids~ 5:00 to 6:00

All Adults~ 6:30 to 8:30 followed by Sparring.

For the first class of the year we want to see how many students we can pack in! Which group will be bigger, kids or adults? You better be ready to sweat!

2007! 

Thank you all for your help and support over the last year! I plan to make "lucky 7" my best year yet!
