Bring a Buddy, Break a Board!

We are going to have a special promotion at the school from 3:30 to 4:30 on Saturday, May 17th, and it's free! The catch is you have to bring a friend or relative who may have an interest in trying karate classes. We will do a class and work on how to side kick and what it takes to break a board.

Then you and your friend each get a real board to break! We will have 12" boards for the bigger kids, and 9" boards for the smaller kids. We are going to limit the class to 40 students, so ask your friend and sign up as soon as possible! Have your friend dress in loose clothes and get ready for some fun!

Tournaments

Wow! I had to leave early to go to a demonstration, but it looked like Task Karate did really well at the tournament. It looks like we had around thirty competitors! Good job to everyone involved!

Also congratulations to Alex and Austin Thompson for their participation in the *Valley Rumble* on Sunday!

NRA Basic Pistol Course for Women
