6 Years of Task Karate!

Yaay! Our school opened in May 6 years ago and we are going stronger than ever. I am so thankful and fortunate to have the support of all the students and families that make our team so great! Mr. Daily and I were looking back at my list of some of the students that first attended Task. Here are the names of members that still train with us today. *Fater, Richason, Daily, Parcher, Gerber, Kaiser, Smith, Trudeau, Judkins, Peaslee, Stromberg-Windau, Markos, Chafer, Barrett, Kumbier, Mumau, Antony, Heiden, Abraham.* (That's all the farther my list went.) Thanks to everyone, old and new for your support of our school!

Opening day!

Now!

Erik Daily's 3rd Degree Black Belt test!

Good Luck to Mr. Daily on his testing this Saturday, May 9th. The test starts at 3:30 pm and he would really love it if you could attend!
