Concert! Saturday, December 8th from 5 to 8 pm!

Let's get together for some friendship and music! I will be playing guitar and singing to entertain you. We will plan on snacks and bring your own drinks. If anyone wants to bring appetizers to share, that would be great! This is a family friendly event, I hope a bunch of my karate kids can make it! I'm asking for a small donation for the concert! We will be having a silent auction as well! See my Facebook page or the flyer at the school for more information.

Snow Scraper, Brush and Shovel Seminar!

Do you have any of these items?!? We will examine how to use them in a self-defense situation. For real! The techniques you would use for these items would be similar to staff, stick, or pocket stick techniques. This is a quick 45-minute seminar to teach you the basics that work! The cost is only \$5! Bring your own snow brush, we have staffs that can represent a shovel.

Private Lesson Sale

Private lessons are available for \$30 per hour! We usually schedule them on the weekends, or other non-class times. Here are a few comments about the lessons! *"The private lessons at Task Karate are great! They make a huge difference in my daughter's development, especially when she's working on forms, or just wants to practice one particular technique. The biggest difference between a classroom full of kids at different individual levels compared to a private lesson is how much more she retains after the one-on-one time."*

"Mr. T, I want to thank you for all your help you gave my son in the private lessons sessions he has had with you. It was very beneficial for him to focus on areas of his forms that needed some extra attention. You are always patient and he very much enjoys learning from you. He is looking forward to setting up more sessions to work on learning eskrima with you!"

I am currently offering a sale on private lessons. You can get a four-lesson punch card for \$100, a savings of \$20. (We will schedule the lessons during available times!)

Task Karate will be closed from 12/24 to 12/31

I appreciate the time between Christmas and New Year's to take a little break and enjoy the Holidays! Thank you all for being a part of our school. I will be working to make it even better in 2019!
