Congratulations to Miss Elli Johnson!

Elli has been training for 9 years! She travels a long way to attend her Task Karate classes, and was scheduled to test in March, but unfortunately, we had to close and re-schedule. Undaunted, she kept working and training hard to achieve her goal on Saturday, July 25th! We are very proud of her!

Success!

Wisconsin Governor Emergency Order

Emergency order #1 will require us to have face coverings in class, elective from August 1st until September 28th, or until otherwise notified. You can follow the links below to find out the details of the order. I know that there is a lot of discussion and multiple opinions on mask were, but we will follow the law, and ask our students to do the same. We have a few masks, but it would be appreciated if the students and their families could supply their own. If you are having trouble breathing, we will encourage a break. It will be a learning experience for us, let us know if you have any helpful ideas, and thank you so much for your support. It sure has been an interesting time...
