## Private Lesson Sale!

Private lessons are available for \$30 per hour! We usually schedule them on the weekends, or other non-class times. Here are a few comments about the lessons! *"The private lessons at Task Karate are great! They make a huge difference in my daughter's development, especially when she's working on forms, or just wants to practice one particular technique. The biggest difference between a classroom full of kids at different individual levels compared to a private lesson is how much more she retains after the one-on-one time."* *"Mr. T, I want to thank you for all your help you gave my son in the private lessons sessions he has had with you. It was very beneficial for him to focus on areas of his forms that needed some extra attention. You are always patient and he very much enjoys learning from you. He is looking forward to setting up more sessions to work on learning eskrima with you!"* I am currently offering a sale on private lessons. You can get a four-lesson punch card for \$100, a savings of \$20. (We will schedule the lessons during available times!)

Task Karate is Closed from 12/24/19 to 12/31/19
